Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Schedule A supporting Line 15 of your report discloses one or more receipts totaling \$1,879.78 from "Walberg for Congress". Please amend your report to clarify the nature of these receipts.
2. Schedule A of your report discloses one or more contributions totaling \$1,000 from "C2 Group, LLC", which appears to be a corporation(s). 2 U.S.C. §441b(a) prohibits the receipt of contributions from corporations unless made from a separate segregated fund established by the corporation.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If you have received a prohibited contribution(s), you may have to make a refund. If within 30 days of receipt you (1) transferred the prohibited amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from a donor for a refund must be honored.
